Waste & Recycling

A Solution for Every Kitchen

KV

KNAPE & VOGT®

Waste & Recycling

A complete offering with a total of six product series, including four different levels of soft-close options. Each product has been designed to maximize usable cabinet interior and opening space, where two bins can often be used instead of only one. Multiple finish and size options fit all common cabinet opening sizes, making this one of the most extensive waste and recycling programs available today.

Soft-Close Technology

Soft-close slides now come standard on four KV Waste & Recycling series products, making the world a quieter place by eliminating slamming and providing full closure every time.

Concealed Slide Hardware

Product designs conceal slide hardware on all KV Soft-Close Waste & Recycling products, creating a smooth, neutral look that is also easy to clean.

Bins & Lids

Bin styling is a welcomed update to the industry-standard "boxy" look, plus it integrates effortlessly with a hardware system for a secure fit. Optional lids conceal bin contents and hold plastic bags securely in place, now available for any 20 or 35 qt. product.

Eco-Friendly Finish

KV eco-friendly, Frosted Nickel finish is compatible with the most popular nickel and stainless steel hardware and appliances, offering a soft and subtle alternative to chrome.

A Better Fit All Around

Features make installation faster and easier while also allowing individual products to be applied to a wider range of applications, door sizes and openings, creating a better fit all around.

Heavy-Duty, Soft-Close, Wood Undermount Series

- Heavy-duty, undermount slide with soft-close technology and concealed hardware; 100lb dynamic / 125lb static

- Wood drawer box captures bin and provides a clean neutral look

- Installs in minutes using self-aligning brackets secured with only six screws

- Unique, easy to clean, solid floor that prevents debris from falling through to the floor or cabinet

- Solid wood top with durable plywood sides

- Bins available in two color schemes with optional lids (in single or double-bin units):
  - Platinum bins with platinum hardware
  - White bins with white hardware

WUSC12-1-35WH

WUSC15-2-35PT

Additional Storage

- Single bin units feature a storage space for trash bags or cleaning products

Door Mount Bracket

- Fits standard width opening up to door sizes 3"wider
- Simple, concealed two screw door-leveling
- Slotted screw holes allow for easy door-centering
- Accommodates overlay or inset doors

Heavy-Duty, Soft-Close, Undermount Series

- Heavy-Duty, undermount slide with soft-close technology; 100lb dynamic / 125lb static

- Installs in minutes using self-aligning brackets secured with only six screws

- Color coordinated aluminum side rails provide stability and conceal slide hardware

- Unique, easy to clean, solid backsplash and floor that prevents debris from falling through to floor or cabinet

- Decorative rail accents can be customized to match countertops or cabinetry

- Bins with optional lids

USC15-2-35PT
(with custom rail accents)

USC12-1-35WH
(with optional QT35LB-W lid)

Solid Backsplash & Floor

- Backsplash keeps debris from falling behind the unit while concealing the hardware mechanism
- The solid floor is easy to clean and keeps items from falling through to the cabinet or floor below

Door-Mount Bracket

- Adapts from standard width opening up to door sizes three inches wider
- Simple, concealed two screw door-leveling adjustment system
- Slotted screw holes allow for easy door-centering

Concealed Hardware
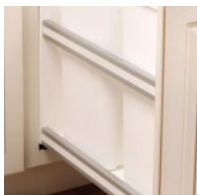

- Color coordinated aluminum side rails provide a solid feel and stability while concealing the slide hardware
- Add a designer's touch by customizing the rail accents to match countertops or cabinetry, as shown here

Soft-Close, Top-Mount Series

- KV® soft-close technology provides full closure every time without slamming

- Door-Mount Brackets include six-way adjustability for precise door alignment and easy installation

- Single-bin units (shown right) feature an accessory basket to hold plastic bags

- The bins (and optional lids) fit securely into multi-ply birch veneered plywood with soft radius edges

- Available in two color schemes with optional lids (in single- or double-bin units):
  - Platinum bins and decorative slide hardware covers with natural Birch platform

  - White bins and decorative slide hardware covers with natural Birch platform

TSC12-1-35WH
(with optional lid)

TSC15-2-35PT

Face Frame Adapter (Soft-Close, Top-Mount)

- Unique KV® Face Frame Adapter Mounting Hardware accommodates 1-3/4"face frame cabinets by allowing for installation in openings 1/2"smaller than standard sizes (excluding TSC15-2-35PT and TSC15-2-35WH)

Concealed Hardware (Soft-Close, Top-Mount)
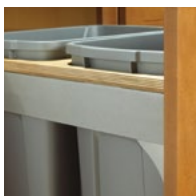

- Color coordinated steel side panels provide added strength and stability while concealing slide hardware, creating a streamlined, easy-to-clean design

Soft-Close, Bottom-Mount Series

- KV® heavy-duty, full-extension ball bearing slides with Soft-Close technology and 1"over-travel

- KV eco-friendly Frosted Nickel finish or White

- Easy installation with only four screws into heavy-duty mounting straps

- Specialized wire management systems hold Bins and optional Lids securely in place

- Bottom-mount units provide stability and are pre-assembled, for faster installation.

SCB15-2-35WH
(with optional PDMKTPT Door Bracket Kit)

SCB10-1-35PT
(with optional QT-35-LP-PT Lid)

Handle

- Handle is easy to attach and simple to grasp
- Keeps hands sanitary while handling

Eco-Friendly Finish

- The KV® eco-friendly, Frosted Nickel finish is compatible with the most popular nickel and stainless steel hardware and appliances, offering a soft and subtle alternative to chrome

Optional Door-Mount Bracket

- Adapts from standard width opening up to door sizes three inches wider
- Eliminates need for sub-panel support behind cabinet door
- Six-way adjustability for alignment of cabinet door with easy "drop-in"keyhole attachment

Bin Management System / Concealed Hardware

- The bins fit securely into the wire bin management system, eliminating shifting and tipping

Top-Mount Series

- Multi-ply Birch veneered plywood with soft radius edges

- Door-mount brackets include six-way adjustability for precise door alignment and easy installation

- The bins (and optional lids) slide out on KV heavy-duty precision ball-bearing slides

- Available in one color scheme with optional lids (in single- or double-bin units):
  - White bins with natural Birch platform

PDMTM12-1-35WH
(with optional QT35LB-W lid)

PDMTM15-2-35WH

Accessory Basket

- Single-bin units feature an accessory basket to hold accessories and plastic bags
(Also included on Soft-Close, Top-Mount Series products, pg. 6)

Bottom-Mount Series

- All units are pre-assembled and install easily with only four screws

- The bins (and optional lids) slide out on KV epoxy-coated, heavy-duty precision ball-bearing slides

- Available in one color scheme with optional lids (in single-, double-, triple- or four-bin units):
  - White bins / accents with white wire frames

SBM9-1-20WH

SBM12-2-27WH

Handle

- Clip-on handle comes single and double-bin units
- Integrated handle on all three and four bin units

Optional Door-Mount Bracket

- Adapts from standard width opening up to door sizes three inches wider
- Eliminates need for sub-panel support behind cabinet door
- Six-way adjustability for alignment of cabinet door with easy "drop-in" keyhole attachment

Bin Management System

- Updated wire management system holds bins securely in place

Roll-Out

- Mounted on roller slides for easy accessibility.

- Bins and Hardware: Bin styling is a welcomed update to the industry-standard "boxy"look. Hardware sits in bin grooves to hold them securely in place.

- Optional lids available.

- Mounting templates provided for easy installation.

ECW9-1-20-R-W

ECW10-1-35-R-W

Dual Orientation

- Dual orientation allows for installation in both narrow and wide applications.
