Closet-Max™ organizational products maximize the storage space in any size and style of closet, from small coat storage to a large master suite walk-in. The shelf & rod brackets offer Slide-Thru™ features so hangers slide through without obstruction. The brackets hold up to 1,000 lbs. per pair, giving a steady and strong support for any kind of storage. Installation is fast and easy with the poles snapping in place—no screws are required. All components are available in a variety of upscale finishes. Finally, adding the closet pole end caps will create a clean and finished look in any closet.

- Slide-Thru™ Feature: Hangers slide through without obstruction
- Closet Poles Snap Into Place: Easy and fast installation—no screws required
- Brackets Hold Up To 1,000 lbs. per Pair: Brackets support shelves 11"-15" deep
