Closet-Pro HD™ Heavy-Duty Shelf Brackets, part of the John Sterling premium closet line, provide consumers and installers with a complementary bracket to the 0495 series Heavy-Duty Shelf and Rod Brackets. When no closet rod support is needed these brackets provide strength to a shelf without detracting from the style of the closet.

They are available in four scratch-resistant finishes including: Warm White Powder Coat, Bronze Powder Coat, Plated Chrome and Plated Brushed Nickel, which provide a design solution for most closet shelf finish pairings.
